Missionary Newsletter Bill & Lori Smith-PNG

WE so appreciate your partnership, prayer and support. GOD is able to accomplish exceedingly above all we ask, hope or think as we join our hearts and pray!

PRAY:

- 1) For Aaron to be granted a USA passport this week!
- 2) For safety as we complete the last of our travels this week, attending the ABWE missionary enrichment conference in Washington DC then return home for our last weekend in the USA.
- 3) For our hearts as we say goodbye to our family and children and grand kids.
- 4) FOR safety , provision (needed finances for customs, handling and transport fees) and speed for the container as it is packed, shipped and travels to PNG.
- 5) Rachel and Rodney ...that God leads them to the ministry HE desires for them and for HIS provision for them in this in between time.

HAPPY IS THE MAN WHO'S QUIVER IS FULL! WE are so very happy with ALL the ways God has richly blessed us these past 29 years as husband and wife! What an exciting journey it has been! WE are eager to see the next trails He has us to discover as we follow HIM by Faith!

No restraints, no retreats, NO regrets!

Bill, Lori and the boys.
