Looking Ahead

Welcome to Foot of Ten Baptist Church – we are so glad to have you here today! If you are a guest with us today, please feel free to ask us questions. It can be strange going to an unfamiliar church with unfamiliar people, but we want to do all we can today to make you feel at home. We use this article to go over things that are coming up in our church calendar. Tomorrow our children leave for Jr. Camp.

Please be praying for camp and all the activities that will be going on during the week. On Wednesday night we will be having our church service down at camp. The bus will be leaving the parking lot at 5 pm so that we can be there for the evening meal. If you would like to be there for the evening meal, please sign up so we know how many people will be there. Let me encourage you to come for this special evening – the campers really enjoy this evening with extra people

there. August is also the month that school starts up again, whether they are headed to day school or college, they need your prayers. One last thing for this month is a Dinner On The Grounds. Plan to join us on the 31st for a D.O.G. and the great fellowship we enjoy during those times.

Ladies of Praise

Those who know me well, know that I struggle with worry. It is a sin I keep having to confess to my very patient heavenly Father. As I was having my "God and I time" this week I was amazed at how many times in the Psalms

God references His eyes and the fact that He watches out for us or to coin a modern day phrase "has our back." Why do I worry so when the God of the universe is looking out for me? The Lord pricked my heart with Psalm 32:8 "I will

We want to thank you for your prayers over these past couple of months. Please continue to pray as we plan and prepare for the upcoming school year. Cur-

rently, our enrollment is around 140 and increasing weekly. Also, please continue to pray as we search for the next man God would have for our school.

X.Y.Z. Ministry

For many years now we have been having an annual picnic at our house and we are so glad we started it and continue to have it because it is

such an enjoyable time. This year we had our regular time of food and fellowship, but we also enjoyed having the Keely's with us for

If I have my eyes on the Lord, He can guide me like that. If He is guiding me and looking out for me, worry should vanish! I am about to

Well, unfortunately summer is almost over. In just a few short weeks, you will be buying school supplies and new clothes. I hope you have had a great summer. I know we have had a great time just in this past

month. The Powerhouse Youth Conference was awesome; even though most of the teens were to chicken to ride the roller coasters. God did a great work in my heart as well as the teens through the preaching of His Word. We

Dear Prayer Partners, You have been praying and the Lord has been working here in Tanzania! Please join us in praising the Lord for how He has been working, and continue to pray for Him to work. One thing we have been reminded of lately is the importance of prayer, so please know you have an important role in the ministry here in Tanzania.

- Praise the Lord for those who have heard the gospel recently through several funerals.
- Pray for those who have lost loved ones to be comforted.
- Praise the Lord for the new babies who have been born recently.
- Pray for these new families and newborns as they grow.
- Praise the Lord for the fellowship and

want to say thank you for all the prayers while we were on the trip. We also want to say thank you for the support you gave to the teens as they were in charge of church. They did a great job singing, playing the piano, and taking up the offering; and Drew did a great job preaching.

Friday night August 29, we are going to have Back to School Bash starting at 6:00pm in the gym. You won't want to miss this awesome activity! Make plans now to be a part.

- Pray for those who have recently heard the gospel to trust Christ.
- Praise the Lord for being able to continue to rent our home.
- Pray for continued peace and a good relationship with local leaders.
- Pray for the Henderson family who are in the USA for
